Subject: Ohad Naharin Works by Date

From: Hank McFadyen

This is a pretty good list of some 46 works of Ohad Naharin. The 20 works in bold below were gleaned from *Mr. Gaga*, the excellent documentary about the life of ON. In addition I have added works by ON listed in the excellent archives of Batsheva Dance Company. So I'm confident this review gives you a good overview of Naharin's works to date. There may be other works that didn't show up in the documentary and that were never included in the Batsheva repertory:

- **1980 Pas de Pepsi**
- 1981 Hara No Umi
- 1981 In Common
- 1981 Interim
- **1983 Innostress**
- **1984 60 A Minute**
- **1986 Tabula Rasa**
- **1988 Safe Tradition**
- **1989 King of Wara**
- **1989 Sinking of the Titanic**
- **1989 Queens of Golub**

- 2003 Kamuyot
- **2005 Three**
- **2006 Furo**

- 2012 DECA'LE
- 2014 Project Secus
- **2015 Last Work**
- 2017 Venezuela
- 2018 ON stepped down as Artistic Director of Batsheva

The BelAir title *The Art of Ohad Naharin* includes in full a 2014 revival of *Naharin's Virus* and a 2017 rendering of *Last Work*. Both of these titles were recorded by Tommy Pascal in excellent HD files for 2K displays.

At this point, I don't know of any other full recordings of the other works above that would benefit from 2K. I'm guessing there are no files that would support 4K with HDR.
