Title: Bethoven Violin Concerto
 Label: Euro Arts TV Director: Agnes Merz
 Conductor: Osawa Date: 2008
 Orchestra: Berliner Philharmoniker
 Soloist(s): Anne-Sophie Mutter

PQ/SQ 29.97, 16:9, 1080i? 48 kHz 24 bit
 Resolution only decent not excellent.
 SO is 2 bit harsh and metallic...
 orchestra sounds hollow. Skin looks
 pasty. Sounded great in 2009
 when released - not so great in
 2012.

C/B All shots from rear that show Osawa also show Mutter as soloist. In this small hall, it's hard to get a variety of front shots of the soloist → ∴ a lot of rear shots.

→ I count all rear shots of Osawa and Mutter as not realistic shots of Mutter.

Performance Notes: Too many extreme close-ups of Mutter - Violin jumps out of picture. I'm counting all fingering from front as R. Violin shots from back or left side of stage as NR. Because all is so cramped, too many shots from rear. Lots of extreme close-ups. Too many close-ups from behind of M. Too agitated. Too many clips that last only a moment or split seconds. All clips w/ Osawa & Mutter from behind are treated as unrealistic shots of Mutter.
